

## Financial Assistance Summary

Plain Language Summary

### **Patient's Obligations and Rights regarding Hospital bills**

For patients with the ability to pay, it is their obligation to pay their bill in a timely manner. If they fail to meet this obligation, they may be referred to a collection agency. If a patient believes they have been wrongly referred to a collection agency, they have the right to contact the hospital for more information at [410-641-9101](tel:410-641-9101). If a patient is uninsured or underinsured, financial assistance (FA) may be available. There are certain criteria that must be met in order to qualify for FA. If a patient applies for FA, it is their responsibility to provide all required information and supporting documents to the hospital so that their eligibility can be determined. Partial or full financial assistance will be granted based on the patient's ability to pay the billed charges. The information below summarizes Atlantic General Hospital's Financial Assistance Policy. For more information regarding FA, please call [410-629-6025](tel:410-629-6025) or visit the AGH website: <http://www.atlanticgeneral.org/fap>

### **Overview**

It is the policy of Atlantic General Hospital/Health System to provide medically necessary services without charge or at a reduced cost to all eligible persons, who are unable to pay, according to the Hospital's guidelines. Atlantic General Hospital defines all emergency room care as medically necessary even though decisions by insurance companies may be in conflict with this decision.

A FA eligible individual may not be charged more than the Amounts Generally Billed (AGB) for emergency or other medically necessary care. Eligibility for financial assistance is based on several factors, including income (see Federal Poverty Level guidelines below), household size, assets and any special consideration that the patient would like to have considered.

Patients may be eligible for Medical Assistance or other public assistance. Patients can apply at their local Department of Social Services or online. Information and applications can be obtained from the following state websites: <https://mmcp.dhmm.maryland.gov> (MD), <http://dhss.delaware.gov> (DE), <http://www.dmas.virginia.gov> (VA). Maryland residents might be able to apply for assistance with MD Children's Health Program if the assistance is for a child or a pregnant woman. Patients may also apply for Qualified Medicare Beneficiary (QMB) or Specified Low Income Medicare (SLMB) programs if they need assistance with Medicare premiums.

***Physician services provided during your stay will be billed separately and are not included on your hospital billing statement.***
